

Housing needs survey for Bearley parish

Do you want to downsize, are you currently living at home with parents and want your own home? Do you need a bungalow in preference to a house? Do you work in Bearley and would also like to live locally?

A lack of suitable and affordable housing in rural communities has been a serious problem for many years, with house prices outstripping average incomes by large margins. The last housing needs survey was carried out in 2017 so we are updating the survey to find out what homes local people need.

The form is to be completed ONLY if you have a need for alternative housing and wish to live within the parish.

If you know anyone currently living elsewhere who would like to live in Bearley parish they can complete their own survey form. They would need to have a local connection, for example they work in the parish, previously lived in the parish or have close family currently living in the parish.

Data is being collected on behalf of Bearley Parish Council by WRCC (an independent charity that supports rural communities across Warwickshire) for the purpose of identifying parish-wide housing need only. All information is treated in confidence by WRCC and all returns are anonymised.

A separate form should be completed by each household (family, single, couple) in need of alternative housing and if they wish to be housed within the parish within the next five years. If necessary, please request extra forms; see contact details on the back page.

Completed forms should be returned by 30th November 2024 using the attached Freepost envelope or complete this survey online at www.smartsurvey.co.uk/s/Bearley24

Thank you for participating in this survey.
