

Housing needs survey for Little Compton parish

Do you want to downsize, are you currently living at home with parents and want your own home? Do you need a bungalow in preference to a house? Do you work in Little Compton and would also like to live locally?

A lack of suitable and affordable housing in rural communities has been a serious problem for many years, with house prices continuously outstripping average incomes by large margins. The last housing needs survey was carried out in 2018, so we want to update the information to understand what housing local people need.

The form is to be completed ONLY if you have a need for alternative housing and wish to live within the parish.

If you know anyone currently living elsewhere who would like to live in Little Compton parish they can complete their own survey form. They would need to have a local connection, for example they work in the parish, previously lived in the parish or have close family currently living in the parish.

Data is being collected on behalf of Little Compton Parish Council by WRCC (an independent charity that supports rural communities across Warwickshire) to identify parish-wide housing need only. WRCC treats all information in confidence and returns are anonymised.

Each household (family, single, couple) in need of alternative housing and wishing to be housed within the parish within the next five years should complete a separate form. If necessary, please request extra forms; see contact details on the back page.

Completed forms should be returned by 15th March 2025 using the attached Freepost envelope or complete this survey online at www.smartsurvey.co.uk/s/LCompton25.

Thank you for participating in this survey.

Matt Povey - Chairman
